JORDAN & C.

My car broke down at the mall parking lot last week and this really nice tall man stopped by to help me. He said that he had a repair shop and would get my car towed over there and fix it for me that afternoon. I took him up on his offer and his mechanic fixed it just like he said. We sat in his small office and talked while the work was being done. I paid him and left. But something drew me back.

I went back after he shut down the shop and we spent the rest of the afternoon on his sofa. His dick was huge but I loved sucking on it, and, ohhhh, when he put it in me I was ready to cum. We spent the next few hours in hot sex and I came twice. He did too. I have recommended him to several of my girlfriends if they needed some work done!

They say a bird in the hand is worth two in the bush. Whoever said that wasn't a woman because we know that two cocks in the hand are fine but one in the bush and one in the butt are even better. Here, let me illustrate the point. I'm sure you'll like learning the lesson.

Even though our day was staged for the camera, that doesn't mean that the sex was staged. These two guys sure know ho to work me and I was in a sexual frenzy after the first fifteen minutes. We must have fucked for four or five hours with each one getting his turn in my mouth, pussy and ass. I got to feel all my senses working overtime as I just kept cumming and cumming and cumming. It was a great day!

This is a very private party but we'll let you watch for a little while, then you have to go. We are both a little bit shy and have not had our personal lovemaking photographed for the world to see. But you can stay if you go sit over in the corner. We don't mind if you take your cock out, but just don't get it near us. You'll have to take care of yourself.

To 40+ editor,

Where the fuck did you find someone like Cindy for your cover girl? She is one incredibly smokin hot babe. Women like her make me wonder if I live in a different universe because all the 40 year old women I see do not look like her. Maybe it's in her genes, but damn. That's all I can say because I'm taking my issue back into the bathroom to contemplate that other universe.

— Ed, Scranton, PA

My wife and I are both in our middle forties and we've had a good life. Like almost every couple out there, our romance has cooled over the years and we've tried to find ways to perk it up. Recently, our sex life has picked up so dramatically. Janine had always dressed rather conservatively, but for the last few months her skirts have gotten shorter and shorter since she's been working out her legs. We joined a "swinger's club" that we found near our neighborhood and have dabbled in sex with other couples. Every time afterwards

we talk about it so we're sure that is something we want to continue with.

Last weekend, I was surprised when late in the day, I saw her going into her sewing room, carrying a pair of jeans. Lately she had mostly used that room to shorten her more conservative skirts. When she came out an hour or so later I understood. She was wearing the jeans but they were now sexier than if she were naked because she had cut off the legs so they were even shorter than daisy dukes. They almost completely exposed her mons and her pussy, then she turned around revealing most of her butt cheeks.

Eventually everything was ready for the evening. The the door bell rang and Janine went to open the door, dressed only in her daisy dukes. Janine opened the door wide giving any neighbors who might happen to be passing an eyeful. On the doorstep were Keith and Arlyss

and Sloan and Adelle. They all were dressed similarly since our theme party was nautical. Keith's and Sloan's wore captain's outfits while the two women were dressed as Wacs. We later found out that no one was wearing anything else under the uniforms.

They all came in a Janine closed the door behind them. By the time they reached the living room, the clothes had come off and Janine stepped up to each of our guests in turn, hugging and kissing them, men and women both. While she was kissing Keith and Sloan, they each slipped a couple of fingers past her barely there jeans and into her pussy. I stepped forward and hugged and kissed the now naked girls and while we kissed, they squeezed my cock as I also pushed a finger into their pussies. That's how we said hello to each other. It's an instantaneous ice breaker.

We all gathered in the living room and discussed how we should proceed. Janine had baked and made some cold treats which we could eat at any time, so we agreed to start with some fucking straight away, then pause while we enjoyed the meal, before completing the evening with more fucking and sucking. There was no pretense to what was going to happen and it made many possible awkward moments much less awkward.

Arylss wanted me to fuck her, so we went first, while every one else stood nearby and watched. Earlier in the day we placed a mattress in the middle of the living room floor, so I lay on my back on the mattress, pulling Arylss on top of me. Arylss must have been really aroused because my erect cock slipped into her wet pussy with ease. Janine picked up a new

tube of lube from the coffee table, squeezed some onto her fingers and plunged one finger into Arlyss' butt hole and wriggled her finger around inside Arlyss's back end. Then Janine inserted a second and third finger into her rear entrance and with the other hand called everyone onto the mattress and the party was on. Just like that.

We squirmed around the mattress all night like lions on fallen prey and we men stuck our fingers, tongues and cocks into any pussy, ass or mouth that was available at the time. The women were just as wanton sucking and mounting any cock within arm's length. We only took breaks to have a snack before getting back into the sweaty group grope. Yes, we can now say our sex life has improved. It may not be for everyone, but we like it.

— Trevor, St. Paul, MN

Dear 40+:

I'm writing because I need an outlet to describe what's been happening to me lately. While some of your reader's may not think the best of me, I ask that they not judge until they've walked a mile in my shoes. My brother and I were born three years apart with him being the older one. We did everything together, even going to the same college and entered the same profession. We're both electrical engineers. We married a year apart, but I got divorced a couple years ago. Six months ago, I lost him. He was only 48 and left a wonderful wife behind. They had no kids but were actively involved with underprivileged children. I won't go into the details of his passing here.

His wife had no family here in the states. They lived in Brazil and she did not want to go back. She tried to find a job but could not.

She volunteered when she could buy fell into episodes of grief that prevented her from moving on. Her name is Marlana. She dropped deeper into depression and asked my parents if she could move in with them.

My parents wanted to sell their house, move to Arizona and retire to the warmer climate. Now, with my sister-in-law living with them, they felt an obligation to stay. She told them it would be only for a couple months, but six months later she was still there in the house.

This is where I come in. I live alone in a large house, so I invited my sister to come live with me. We all decided that would work and she packed up and moved in with me. Jobs were more plentiful where I lived, so she would have a better chance at getting a good paying job. Also, I would have someone to live with me and I could help her out as she needed it.

She didn't have much, some clothing and a few other personal items. So, after I got her settled in my house, we went shopping. She didn't want to take any money from me, but I convinced it was just a loan until she got a job and then she could pay me back.

We went to some of the department stores and spent a couple weekends getting her wardrobe updated. She said it made her feel better. She has a very good figure with a full bust, small waist and shapely hips. She didn't have much fat on her. She picked out some dresses and blouses with a neckline that accentuated her boobs. As she was modeling the clothes for my approval. I started to realize that I was getting

I had to write to you because I saw Cindy Dollar in your

magazine and immediately went right to her online video. What a fucking babe. And she takes it in the ass. The only thing hotter would be if she had a twin. Now that's hotter.

— Clark, NYC

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. aroused by my sister-in-law. In scenes reminiscent of the movie *Pretty Woman*, I started to look at Marlana in a different way. After all, I had not dated since my divorce and the closest thing to a sexual experience was the one that I had with my hand.

She kept the house clean, made our meals and even did the laundry. It was good to have someone to talk with, when I came home from work. We spent many evenings cleansing our souls and trying to console our feelings about what the past did to us. It turns out that she was a person who had a very high sex drive, so this lead to her having to please herself. My wife was not interested in sex either. When we were first married, we had sex once or twice a week. That soon trailed off to once or twice a month and then it just stopped completely.

I came home from work one Friday afternoon and was greeted by Marlana wearing one of her new outfits. She told me she got a job and was taking me out to celebrate. She had made dinner reservations at a spot close to the house. We had a few drinks and talked. She was so relaxed and happy. She didn't believe how good her life was and she owed it all to me. The alcohol was having an affect on us, so I suggested we go home to continue our celebration, she agreed. We parked the car and went inside the house. I helped her with her wrap and she turned to me and stared kissing me. Thanking me for "being there for her" under her breath.

"Please make love to me, tonight." was all she needed to say. I picked her up in my arms and carried her to my bed. I looked her in the eyes and said "I want this as much as you do, but before we do anything, that we'll regret later, are you sure you want this to happen?" She looked me in the eyes, grabbed the back of my

head and pulled me down until my lips meet hers. She gave me a hot wet kiss, our tongues intertwining, probing, touching each other's. We both hadn't had sex in a long time and we were not being gentle. I quickly unbuttoned her blouse and unsnapped her bra. As I pulled the loose bra from her breasts, I stopped and stared at the creamy white mounds of flesh. Her nipples were hard and erect. I grabbed a tit in each hand and started to massage and knead them. I lowered my lips to those luscious nipples. As I started to gently bite them, I heard her start to moan. I looked up at her face, her eyes were closed, her lips were slightly open and her tongue was tracing her lips. She dropped down to her knees and undid my pants and pulled them and my boxers to my ankles.

I felt her warm mouth wrap around my stiff cock. She devoured it like a woman who had not eaten in years. Her tongue swirled around the cock head and slid wetly up and down my shaft. Her fingers fondled my balls, heightening the experience of her blow job. Reluctantly, I stopped her and we undressed each other falling onto the bed and each other's arms. I went down on her and she came within a minute. She had over a year of pent up sexual energy and I was the one lucky enough to have it explode all over me. I returned the passion and came twice.

We are still living together, enjoying each other as life intends. We have not yet told my parents because we don't know what their reaction might be. We'll have to see what the future holds, but for now, the present is great.

— Erick, Columbus, OH

Nice little pictorial of Vixen and Chloe in your latest issue. The ladies are hot, but I don't think they are 40. Are you guys retouching their wrinkles, because I see some photos of Vixen where she looks older than in others? And if it wasn't for Chloe's body, I wouldn't

guess her for 40 either. I'm not saying that the women in your magazine should look old and wrinkled. And I'm not judging the ladies individually, so your 40 year old ladies sure look younger than my 40 year olds. I'd rather look at yours!

Sexual women can usually be found quite naked. I don't like to fuck with clothes on, even without shoes. They can get in the way and I don't want anything to change the focus of giving my man the attention and pleasure he deserves. And that goes for me, too.

I just love a studly
man. A guy that's
buffed and has a great
cock. In the time I
spend with him, I want
to adore his body and
enjoy a deliciously
pretty cock in my
mouth and pussy.
If you've got one of
those, I'd love to see
it. I'd love to suck it.
I'd love to feel it's cum
spurt all over me.

The Madness of March is over. The party's over. Almost everyone went home. Now I discover the two that did not. Party's on again.

the party's not quite over

It's early April and March Madness has ended for another year. The college champion was once again crowned and the losers forever forgotten. The party I had just hosted was winding down. Almost all my friends and neighbors have gone home and I'm stuck cleaning up the mess that we had created through a night of yelling, drinking and smoking. I'm picking up plastic cups and beer cans littered around my house and slowly make my way upstairs thinking why should there be any trash upstairs? When I did stumble up the stairs, trash bag in tow, I thought I heard the sounds of sex coming from one of the bedrooms. Slowly I got closer to the door that the noises were coming from. I paused and put my ear to the wooden door and listened. What I heard, I could not believe.

ies siting up in the middle of the bed, their legs and bodies intertwined. I instantly recognized the two of them. The blonde was Michelle, a well known lady about the neighborhood. The other, whom Michelle was embracing, was Chrissy, another neighbor who we all thought was a bit too conservative. Her hair was black and curly, her breasts were less developed than Michelle's but equally as perky and hot. I stood there watching the two make out and explore each other. My already hard cock began to throb uncontrollably as they continued with the lights on, almost as they didn't notice.

When the light came on, I heard yell at me. "Josh! What are you doing? Leave us alone!" Not knowing what to do, I replied, "I'm just cleaning up." I raised the trash bag full of beer cans and pizza boxes as if to validate my actions. By now, Chrissy was completely mortified. She grabbed a sheet and covered her bare breasts. I slowly started towards a stack of empty plastic cups and beer cans, all the while my eyes on Michelle's ample breasts and Chrissy's tight ass. The two ladies sat up on the bed, arms crossed, waiting for my departure. I notices a couple of empty water bottles on the floor next to the bed. I slinked over to pick them up and straighten up in front of the two ladies.

"I'll turn the light off again." I said sadly, knowing this little adventure would soon be over. As I flicked the switch I stood in the doorway, slumped over like I just lost my best friend. "Okay, Josh. Come back and play with us." I heard Michelle say. "Really?" I asked. No reply, so I dropped the bag, ran into the bathroom to wash up and flew back into the bedroom. This remark only made Chrissy more apprehensive than she already was but after a reassuring look from her lesbian partner, she lowered the sheet covering her fine boobs and gave a wry smile. She crawled across the bed on all fours towards me

I quickly became excited and noticed that my cock had hardened listening to the female voices. I peered through the crack that was open. The room was pitch black yet I was so fixated on finding out who the two were that I stuck my head further into the dark room. I reached drunkenly into the room and fumbled around the wall for the light switch, finally flicking it making the room shine with light. What I saw left me completely awe shocked. Two beautiful female bod-

be gentle” She gasped with pleasure as shock traveled through her body. Her insides were unbelievably wet and tight, squeezing my dick with every bounce she took. After a while, she twisted around in a reverse cowgirl and bounced on my penis some more, her perfectly round, firm ass playing in front of me, I couldn’t help but playfully slap it. While she worked my cock, Michelle was busy licking up and down Chrissy’s wet pussy lips. And then an idea popped into Michelle’s head; she went straight for Chrissy’s asshole. She licked it in circles dipping her tongue in and out of the tight hole. Chrissy responded by shooting her butt higher into the air as she rolled her own tongue around the purple head of my dick. I felt the inevitable feeling of a orgasm coming on. “Slow it down, Chrissy. I have to save something for Michelle.” I said. This only made her go faster. I pushed her off before I came and immediately I felt Michelle’s hot mouth envelope my dick.

Chrissy moved over to Michelle and they swapped my jizz. Some drops flowed out of the corner of Michelle's lips and Chrissy was quick to lick it up. She then reached over for a swig of beer from a bottle on the night stand. She passed it to Michelle who also gulped down a shot. Then Michelle pushed me over to the edge of the bed. "You can stay and watch, but don't touch. Okay?" I agreed and laid back as I saw an incredibly erotic site unfold inches from me. They two ladies went at it with renewed fervor and an hour later both ladies came from a sixty-nine position that was a classic for the ages. I applauded them and got up to collect the rest of the stuff in the room.

Chrissy headed straight for my balls and took them in her mouth. I looked down to see two beautiful women sucking on my cock. It was almost like watching a porn movies, but with real chicks. She rolled her tongue faster and faster, and squeezed my shaft harder and harder as it became increasingly difficult to hold my load in. Chrissy moved her focus from my balls to

it was already soaked with saliva. This image took me way over the edge as my face turned red and my toes curled, I shot a hot huge load straight into Michelle's mouth.

I'm the type of woman that goes to extremes. One or two cocks aren't enough for me. Why? Because just as two cocks are better than one, three are better than two and so on. If you haven't tried it, you should. I'm sure you'll easily find three guys.

Oh yeah! What a great fuck. These guys were right on it and each one got what they deserved. And they deserved me. I took them all down my throat and into my body and they each thanked me with a huge load on my face and chest.

MISS BUNNY & JENNER

I've been in the business for just a few yeras burt quickly found that sllim young things were what most directors were looking for. But I found that if you're a good fuck with some smarts, you can go a long way. I sought out my markets and did somethings to stand out.

Like make my hair even redder and make my nipples some-thing special. I found outlets on the internet for my movies and photo shoots. And of course I did this special photo shoot with Jenner for all my fans and even those seeing me for the first time.

Miss Bunny

Now I'm busy all the time with photo shoots and videos. Who would have thought that just a few years ago in my very late thirties; and just divorced; and feeling so low about myself, that I could reinvent me into a confident, sexually aggressive, full-bodied woman that you're jerking off to right now. If I'm this hot right now, imagine what I'll be when you see me in 50+!
